SALOMON ULTRA PIRINEU 100k® 2021

The Salomon Ultra Pirineu 100k® is an ultra endurance race with 100 Km mountain run with 6.600m positive gain, organized by Pangea Attitude SL and the Sports Association "Mountain Runners del Berguedà".

The Salomon Ultra Pirineu 100k® will be part of the Spartan Trail World Championship in "Trail Ultra Championship" distance.

The event will take place on 2nd and 3rd of October 2020, with departure and arrival at Bagà (Barcelona), and most of its course running through the Natural Park of Cadí Moixeró, in the Pyrenees.

The Salomon Ultra Pirineu 100k® awards 5 ITRA points.

Article 0. COVID-19

Due to the health alert that we are suffering the organization may modify some of the articles and services described in these regulations, including the date and program of the event to adapt it to the current situation and the recommendations of the competent authorities.

To collect the race bib, besides the usual documentation described in Article 3, participants should also provide one of the following documents PRINTED:

- 1- UE digital certificate proving COVID-19 vaccination (only full vaccination is accepted)
- 2- UE certificate proving recovery of COVID-19
- 3- Recent certificate proving negative COVID-19 test (PCR or antigen), performed in the last 48h

Article 1. REQUIREMENTS

Participants must meet the following requirements to take part in the event:

- To be of legal age on the day of the event.
- To have one of the three certificates described in Article 0
- To demonstrate that between 01/01/2018 and the day of the registration, the runner has participated in at least 1 mountain trail race completing at least 40km, even if the runner was not a finisher.
Or, having participated and completed 40km in one of the previous editions of Salomon Ultra Pirineu® (years 2015, 2016, 2017, 2018 or 2019).
- Only races that have already taken place will be accepted for registration.
- Understand and accept these rules and regulations.
- Participants must be fully aware of the nature of the event Salomon Ultra Pirineu 100k®. They must have the knowledge, expertise, equipment, and mental and physical preparation necessary to face and overcome possible problems related to ultra-endurance running, altitude, geography and the natural environment in which the event takes place. Potential problems associated with this type of events are: fatigue, digestive problems, muscular and joint problems, contusions, minor injuries, cold temperatures, rain, snow, fog, heat... etc.
- To perform all registration steps correctly.
- To print, fill in and sign the document "Informed consent", and to present it at the race-bib collection point in Bagà. This document can be downloaded from the web www.ultrapirineu.com.
- The Organizer reserves the right to exclude from the Salomon Ultra Pirineu 100k® (even before its start) those participants whose conduct obstructs the management and/or the smooth development of the event. Likewise, the Organizer reserves the right to admit

participants who do not comply with some of the requirements under exceptional circumstances.

- Those participants who don't have a sports insurance that covers mountain accidents are required to process insurance, which will be limited to the two days of the race and will be processed by the Organization, with an extra cost for the participant of €10.

IMPORTANT: Participants who indicate in the registration that they have a sports insurance managed by one of the federations or private companies indicated in the registration form must first make sure that they include the mountain races activity at Catalonia, and that the insured capital covers at least the minimum benefits indicated in " Real Decreto 849/1993, de 4 de junio ", indicated below:

- Death by accident: 6.000€
- Permanent disability: 12.000€
- Healthcare: UNLIMITED (including transportation costs by medicalized or terrestrial helicopter).

For more details, check [here](#)

Article 2. ENROLMENT AND CANCELLATIONS

(2.1) LIMITED ADMISSION

The Salomon Ultra Pirineu 100k® has a maximum number of 1200 race slots fee of **114€ + VAT**.

This year 2021, and exceptionally due to the Covid-19, there will be NO pre-registration and subsequent draw. The participants will be the same as those who were chosen in the previous draw and chose to keep their bib for 2021.

A waiting list will be set up to cover the possible absence of these participants.

The registration fee includes:

- Exclusive commemorative technical shirt SALOMON for all the registered participants in the Salomon Ultra Pirineu 100k®.
- Participation in the Salomon Ultra Pirineu 100k®.
- Participation in the Spartan Trail World Championship®.
- Medical services and ambulance.
- Civil liability insurance.
- Official timekeeping and live following by Livetrail.
- Solid and liquid aid stations during the race and finishing point.
- Exclusive finisher medal Salomon Ultra Pirineu 100k®.
- Trophies and cash prizes for the first five (male/women) overall ranking (Total: \$13800)
- Trophies for the first three in each age category.
- Drop bag service.
- Physiotherapist service

NOTE: Following Health Authorities recommendations, cloakroom and shower services WILL NOT BE AVAILABLE in 2021. According to potential further restrictions that may be in place at the moment of the race, any of the services described above may be subject to cancellation or modification at the last minute.

The Organizer reserves the right to increase or reduce the number of available slots for safety reasons or for any other cause that might affect the proper development of the event.

- Registration for Salomon Ultra Pirineu 100k® will be made only by internet through the official website www.ultrapirineu.com
- Only credit card payments will be accepted. Bank transfer or cash payment will NOT be accepted.
- The candidate does not need to be the owner of the credit card used for the payment.
- If the registration is successfully completed, the name of the candidate will appear immediately in the participants list. The participant will receive an automatic confirmation email summarizing the services purchased.
- Participants must keep this email as proof of payment. It will be necessary for the administrative procedures related to using their rights or purchased services.
- **Failure to receive this automatic email and/or failure to appear at the registered participants list soon after completing the registration procedure indicates that said procedure has not been successfully completed (even if the payment has been successful), or that incorrect contact information has been provided. In any of these cases, to solve the possible error the candidate should contact the Organization via email at registration@ultrapirineu.com.**
- It is recommended to print the proof of payment from the bank, but it should be noted that the only valid document to prove registration is the automatic email that the runner will receive just after registering.

To ensure the correct reception of emails from the Organizers and prevent any blocking or elimination by anti-spam services, registered participants should add the following email addresses to the contact lists of their email server:

- registration@ultrapirineu.com (emails concerning registration and payments)
- info@ultrapirineu.com (emails concerning general information and news)

(2.2) WAITING LIST

- The waiting list will be in order of registration.
- Any time a running slot becomes free, the Organizers will contact by email the person in the first position of the waiting list to offer him/her the opportunity to proceed with the registration.
- **Once the first candidate on the waiting list enters the registered participants list, the second candidate on the waiting list occupies the first position, therefore becoming the next person to be contacted in case of vacancy.**
- If a candidate in waiting list refuses the opportunity to register or does not answer the email from the Organizer within 72 hours and he/she will miss the slot.
- To ensure the correct reception of emails from registration@ultrapirineu.com (registration) and info@ultrapirineu.com (news and information), the candidate must:
 - Ensure that the email address entered during the pre-registration process is correct, with no errors in punctuation, capital letters, hyphens...etc.
 - Check frequently the inbox of the email address provided.
 - Add registration@ultrapirineu.com and info@ultrapirineu.com to the contacts list of the email server to prevent blocking or elimination of emails by anti-spam services.

(2.3) CHANGE OF DISTANCE

A registered runner can request a change of distance by sending an email to registration@ultrapirineu.com, provided there are places available for the new distance requested and that the change is requested before August 31.

To process the change of distance, the total amount of the inscription will be returned, minus €10 for bank and administration fees.

(2.4) CANCELLATIONS AND REFUND POLICY

All runners will be able to cancel their registration for justified reasons with the right to a 100% refund (minus 8€ for bank and administration fees) of the registration fee until the 15th of May.

As of May 16th, the % of the registration fee to be refunded will be reduced according to the table below.

From August 31st (date on which the registration lists will be definitively closed) **no refunds will be made.**

It will be considered a justified cause, all those medical causes (or similar seriousness) that make it impossible for the participant to attend the race.

To unsubscribe you must send an email to registration@ultrapirineu.com requesting the cancellation, attaching a signed medical certificate confirming the contraindication to participate, or (if the cause is not medical) the official / legal documentation that corresponds to the alleged cause.

***Supplement (30€):** Participants will be able to opt for a supplement of 30€ (only during the registration), to have a 100% refund of the registration fee in case of cancellation until August 31st.

Year 2021	% OF FEE REFUND	
	WITHOUT SUPPLEMENT	WITH SUPPLEMENT (30€)*
April	100% (-8€)	100%
From May 1 to May 15	100% (-8€)	100%
From May 16 to May 30	50%	100%
June	40%	100%
July	30%	100%
August	20%	100%
From 31 th August	Cancellation not allowed	Cancellation not allowed

IMPORTANT: CANCELLATIONS WILL BE ALWAYS SUBSTITUTED BY THE PERSON ON TOP OF THE WAITING LIST. RACE BIB TRANSFERS ARE NOT ALLOWED UNDER ANY CIRCUMSTANCES.

Fee refunds will be made to the same credit card used to pay the registration fee.

Article 3. THE RACE BIB

Each participant must wear the race bib on the front of the body, on top of the clothing, and it must be clearly visible at all times.

Race bibs are personal and non-transferable. By default, race bibs will only be given to participants who have registered for the event. Participants must show an IDENTITY CARD, PASSPORT or NIE

(Foreign Identification Number) to prove their identity in order to collect their race bib. The identity document must be the same used for registration. Participants must also show the accidents insurance indicated during registration (except if they have purchased one from the Organization).

RACE BIB TRANSFERS ARE NOT ALLOWED UNDER ANY CIRCUMSTANCES.

(3.1) COLLECTION OF RACE BIB, CHIP, T-SHIRT, DROP BAG AND WRISTBAND

Participants may collect their race bibs in the following places and times:

- **Bagà Sports Hall:** Friday October, 1st between 12:00h and 22:00h
- **Barcelona Salomon Store (Rambla Catalunya, 54):** Between September 3 and 17. IT WILL BE MANDATORY MAKE RESERVATION OF THE DATE AND HOUR. To make the reservation, the organization will send an email to all runners with a link to make the reservation online.

If the race bib is collected in Bagà: After the identity check, the personnel handing out the race bib will put a control wristband on the wrist of the participant. The participant must wear this wristband during the entire event. Together with the race bib, the wristband entitles access to all services available for participants: start area, aid stations, transport for dropouts, medical services, drop bag transport and collection... etc.

If the race bib is collected at the Barcelona Salomon Store: Runners collecting their race bib, chip, T-shirt and drop bag in the Barcelona Salomon Store will get a wristband of a distinctive colour to allow easy identification by the Organizers. In this case, the participant must carry his/her IDENTITY CARD, PASSPORT or NIE during the event, to prove identity if requested during the event.

Not wearing the wristband during the event entails disqualification.

Race bibs will be collected on the date and time announced at the event's program published on the official website www.ultrapirineu.com.

It won't be possible to collect the race bib on the day of the event before the start.

RACE BIB COLLECTION BY A PROXY

If the race bib owner cannot personally collect the race bib on the places, dates and time provided in the program published on the official web of the event, he/she may authorize a different person to collect it on his/her behalf. This person (the proxy) must provide the following documentation in order to collect the race bib:

- One of the 3 COVID certificates described in Article 0
- Original signed document "Authorization for race bib collection by a third person". By this document the race bib owner authorizes the proxy to collect the race bib on his/her behalf. This document must be downloaded from the web www.ultrapirineu.com, printed and signed by both parties (the race bib owner and the person who will collect the race bib).
- "Informed consent" document signed by the race bib owner (original signed document).
- Copy of the race bib owner's identity card, passport or NIE.
- Copy of the race bib owner's mountain federation card (unless he/she purchased the insurance available at pre-registration).
- Original IDENTITY CARD, PASSPORT or NIE of the person who collects the race bib.

Note: A different colour wristband will be provided for participants who don't collect their race bibs personally, to facilitate identification by the Organizers. In this case, the participant must carry his/her IDENTITY CARD, PASSPORT or NIE during the event, to prove identity if requested.

(3.2) RACE BIB CHARACTERISTICS

Race bibs provide the following information to runners and Organizers:

- **Race bib number:** each participant will get a race bib number according to their ITRA performance index. This number will determine the participant start group.
- **Chip:** The race bib incorporates a chip that allows tracking of the runner.
- **On the back of the race bib:** The protocol in case of emergency will be printed on the back of the race bib, including the emergency telephone numbers. This side of the race bib will also have a blank space where the runner may write information relevant for the medical personnel in case of emergency or loss of conscience. This information may be the RH blood type, or any relevant medical condition suffered by the participant such as allergies, AIDS, epilepsy, diabetes, celiac disease, etc.

Article 4. INFORMED CONSENT

The act of registering for the Salomon Ultra Pirineu 100K® entails the acceptance of its regulations by all participants. It also implies that the participant has the adequate preparation to participate in the event.

Runners declare being aware of the hard geographical risks and extreme weather conditions one may encounter throughout its course in high mountain altitude. The participant also declares that he/she is physically and psychologically prepared to perform an activity of the characteristics of the Salomon Ultra Pirineu 100K® and that he/she has passed the medical and effort tests relevant to his/her age and physical conditions.

Registered participants understand that they participate in the event voluntarily and under their own responsibility. Thus, they exempt the Organizer from any liability and will not press any charges or file any liability claims against the Organizer, its collaborators, sponsors or other participants.

To this end, when collecting their race bib in Bagà, participants must submit the document *"Informed consent"* duly printed and signed

A printable version of the document can be downloaded from the official website www.ultrapirineu.com.

If the *"Informed consent"* document is not printed and signed when the race bibs are handed out, the runner who owns the race bib must sign it "on the spot" when collecting the race bib.

Article 5. REQUIRED AND RECOMMENDED TECHNICAL GEAR

To run the race, all runners must carry the items labelled as "mandatory" in the web www.ultrapirineu.com. (Section of required technical gear).

On Friday October 1st, the Organization will inform if some of these items are finally NOT mandatory. The decision will be taken according to the most recent weather forecast.

IMPORTANT: All SUP races run in high altitude environments where the forecast is less accurate than in lower elevations, and where the weather is very unstable with sudden changes that can become

extreme, such as intense heat, temperatures below 0°C, heavy rain, hail, snow, strong wind, dense fog, thunderstorms, etc.

The definitive list of mandatory and recommended minimum material that we will publish in the web on Friday, October 1, will be based on the latest weather forecast and therefore may be insufficient if forecast fails, or weather becomes unstable. **Therefore, it is up to each participant to assess this mountain risk, and decide whether to bring more additional material for the benefit of their own safety.**

ATTENTION: Due to COVID-19 there could be some variations in the required material.

To minimize lines, waits and material handling in indoor spaces, this year 2021 THE EQUIPMENT VERIFICATION SERVICE OF FRIDAY IS SUSPENDED.

Even so, the EQUIPMENT CONTROLS during the race will be performed as usual. So, it is very important that each participant check the list of material on the web www.ultrapirineu.com by clicking on the "more info" drop-down for each article, with details on the required characteristics.

Article 6. CHECKPOINTS, AID STATIONS AND ASSISTANCE

- Participants must follow the marked course without disobeying any signs and must stop at all checkpoints, located at aid stations.
- Besides the official checkpoints (announced on the web www.ultrapirineu.com), the Organization may set up “mobile” checkpoints to control pace or gear at any point of the course.
- Participants must respond to the requests and questions posed by a course steward, medical equipment or aid station supervisor at checkpoints or at any other point throughout the race.
- **Tents and sport halls used as aid stations are restricted exclusively to the use of runners. No public or assistance crews may enter the aid stations.**
- Participants may use personal assistance only inside the ASSISTANCE AREAS, located within 50-100 meters around each aid station tent (except Gósol, see below). The limits of the ASSISTANCE AREA will be properly marked along the course, with a sign of start/end of ASSISTANCE AREA clearly limiting where the area starts and finishes.
- **Due to this year health restrictions, the GÓSOL ASSISTANCE AREA will be located outside and separated from the aid station tent. Assistance crews will not be able to enter into the aid station tent.**
- The GÓSOL ASSISTANCE AREA will be located in an exterior area reserved to assistance crews beside the aid station tent. Assistance crews may enter this area with the bracelet that will be provided to each runner when collecting their race bib. Assistance crews are not allowed inside the area reserved to runners.
- When collecting the race bib, each runner can request a maximum of 1 bracelet to allow the entry of his/her personal assistance into the ASSISTANCE AREA of GÓSOL. This person only will be able to access the ASSISTANCE AREA of GÓSOL once the organization has verified that the runner passed through the previous control (Prat d’Aguiló) and will reach the Gósol control point in 30 minutes according to the forecast of the LiveInfo APP. Once the runner leaves the ASSISTANCE AREA of GÓSOL the assistance will also have to leave immediately.
- The Organization may perform gear checks just before entering an ASSISTANCE AREA.
- Access by car to some aid stations may be blocked for safety reasons or poor state of the roads. The Organizers only guarantee access by car to those aid stations reachable by paved road, which will be duly indicated on the web of the event.
- **The assistance crew authorization does not grant access through closed roads. This authorization only enables its holder to enter into the ASSISTANCE AREA of GÓSOL.**

- Each aid station has a designated closing or cut-off time. Participants must reach all aid stations before their closing time to be able to continue in the race. The closing times will be published on the website www.ultrapirineu.com.
- Aid stations will be supplied with products and isotonic beverages FINISHER, in addition to liquids and solid food, which will vary according to the location on the course. The items available in each aid station may be checked at the web.
- Food and drinks must be ingested at the aid station, in sufficient amount to meet the energy requirements to reach the next aid station. Water can be loaded in the containers or hydration packs carried by the participants.
- Having a race bib and a wristband is required to get access to the aid stations.
- An area with warm food and medical assistance will be enabled in Bagà for all participants.

Article 7. DROP BAG TRANSPORT AND CLOAKROOM SERVICE

(7.1) DROP BAG TRANSPORT TO GÓSOL

A bag will be provided to all participants together with their race bib, so that they can place in it the gear they may need at Gósol (km61).

The drop bag must be filled up and delivered to the staff during the race bib collection time or at Bagà's Sports Hall before the start (between 04:30h and 05:00h).

The bag will be transported by the Organization to the Gósol aid station, and will be available so that runners can pick up the gear they require and deposit what they do not longer need upon arrival at the aid station. After using it, the bag must be closed without anything protruding to be returned to Bagà.

Important: Runners wishing to drop out of the race should take into account the following timings for drop bag collection without delays:

- **Drop bags from Gósol (Aid station tent)**
 - From 13:00h drop bags will be delivered near the finish area in Bagà (Sports Hall).
 - Bag transports between Gósol and Bagà may take between 2 and 3 hours, from the moment a runner announces their withdrawal from the race and the arrival of their bag in Bagà.

The Organizer will never check the contents of the bags or whether they are properly closed. Therefore, the Organizer will not respond to any complaints about loss or damage of bags or their contents.

It is recommended to not leave valuables or fragile material in the drop bags. Runners should ensure the bag remains closed during transport by reinforcing its closing (for example with a string or bridle).

(7.2) CLOAKROOM SERVICE IN BAGÀ

A permanent cloakroom service will be available so that participants may leave there the gear that they wish to have on BAGÀ SPORTS HALL (such as keys, towel, soap, mat, sleeping bag... etc). They may leave these items inside a bag or backpack not bigger than 20L.

Participants may leave their cloakroom bag (do not mistake with the dropbag) at BAGÀ SPORTS HALL before the start (between 04:30h and 05:10h).

The Organizer will not check the contents of the bags or whether they are properly closed. Therefore, the Organizer will not respond to any complaints about damage of bags or their contents, or for any loss of contents. It is recommended to not leave valuables or fragile material in the bags. Runners should ensure the bag remains closed at all times by reinforcing its closing (for example with a string or bridle).

LOST AND FORGOTTEN BAGS: The drop bag must be claimed by the runner no later than 17:00h on October 3rd in Bagà. Otherwise, they may be collected during the following 15 days at Bagà's City Hall. Any bags remaining after this term will be disposed of.

The Organization will be responsible for any lost drop bags, and will return the lost contents or their value to the runner, up to a maximal amount of 300€. It is recommended that the gear stored in the bags does not exceed this value. Runners must report the loss of the bag by email at info@ultrapirineu.com no later than 15 days after the date of the event.

Article 8. SAFETY AND MEDICAL ASSISTANCE

There will be several medical and safety teams coordinated with the national 112 emergency services by the central direction of the **Salomon Ultra Pirineu® 2021**.

By default, these teams will be distributed among the different aid stations so runners may ask for assistance or help in case of need.

There will be mandatory medical examinations at some points along the course, which may be random or general.

Refusal by the runner to cooperate fully or being disrespectful with the medical personnel may result in immediate disqualification.

All participants will accept the medical decisions of the physicians and medical team, whose decision will prevail over all others. The physicians and caregivers may:

- Remove from the event any runner that they consider incapable of continuing, by invalidating their race bib number.
- Order the evacuation of any participant that they consider being in danger.
- If necessary, order the hospitalization of a runner.

The race director will never question the judgment or decisions taken by the medical team. The Organization will not be liable for any consequence derived of the disobedience of the orders of the medical team by a runner.

EMERGENCIES ALONG THE COURSE

All runners have the obligation to provide assistance to other participants in need, according to their own capacities and knowledge. Not doing so implies committing a serious punishable offence of “non-assistance to a person in need”.

In the event that the runner or a running mate cannot reach the next aid station due to a medical emergency or any other kind of emergency, the following instructions must be followed (also printed on the back of the race bib):

- **If there is mobile network:** Dial the telephone number appearing on the back of the race bib, describe the situation and follow the instructions.
- **If there is NO mobile network:** Dial 112 and inform as follows:
 - You participate in the **Salomon Ultra Pirineu 100k®**.

- Your location (approximate).
- Problem or medical emergency affecting you or your running mate.
- Name and race bib number of the person affected (your own or that of your mate if you are assisting him/her)

It is important to consider that most of the course of the **Salomon Ultra Pirineu 100k®** goes through remote areas only accessible by foot. This implies that the medical/rescue teams might take a long time, even hours, to bring aid or rescue in case of need. Therefore, the following instructions must be followed:

- Move to a point where there is mobile network, so you can be in permanent contact with the race director. Do so **ONLY IF IT IS POSSIBLE** and **NEVER LEAVING THE MARKED TRAIL**.
- Be accurate when describing the situation: different types of resources will be mobilized based on the information you provide when requesting assistance, so it is important that this information is as accurate as possible.
- Do **NOT** leave the marked trail; otherwise it would be very difficult to locate you.
- When planning your gear, you should prepare yourself for situations of very slow pace or even of long wait in adverse weather conditions.
- Always inform about any change occurring between the moment of the phone call and your location by aid teams.

Article 9. DROP OUT AND EVACUATION

Participants may only drop out at aid stations, unless the runner is injured or hurt.

Any runner who wishes to drop out must personally notify his/her decision to withdraw to the aid station supervisor (identified by a fluorescent vest), who will identify the runner and invalidate his/her race bib number.

Concerning the evacuation, the following points must be considered:

- Runners may drop out in any aid station, but only some of them will have vehicles available to evacuate runners who decide to drop out. These aid stations are indicated as **drop out points with transport**.
- The location of these **drop out points with transport** may be checked at the course map on the official web www.ultrapirineu.com
- In any case, the runner wishing to drop out must inform the aid station supervisor (identified by a fluorescent vest). The supervisor will identify the runner as dropout and indicate him/her where to wait for the next transport to Bagà (in case of **drop out points with transport**), or how to get to the closest **drop out point with transport**.
- Even if the dropout opts to get back to Bagà by own means (i.e. pick up by friends), he/she must inform about his/her intention to drop out. Otherwise the Organizers will consider the runner missing and activate the rescue alarm.
- If a runner decides to withdraw after a **drop out point with transport**, he/she must return to the point and notify the supervisor.
- If the runner cannot reach the next **drop out point with transport** by his/her own means, he/she can wait at the aid station until its closing time, and get back to Bagà with the transport available for the personnel of the aid station.

ASSESS YOUR STRENGTH

When leaving an aid station, you must properly assess your strength and be aware of the distance to the next **drop out point with transport**. Do not attempt to continue if you are not sure of being able to get there.

Participants who bring their own personal assistance must keep in mind that the access to some aid stations may be closed due to bad weather or safety reasons. Updated information will be available on the web, www.ultrapirineu.com.

ACCIDENT INSURANCE

In the event that the Organizer considers that a runner requires external emergency evacuation by ground or helicopter, the insurance of the runner will assume all financial obligations connected with this service. This insurance may be linked to Segurartic@-Catalana Occidente, or the official mountaineering federation card (FEEC or autonomic equivalent enabled by FEDME, UIAA, A.E.TRAIL, RFEA o ITRA) declared by the runner when registering; or the insurance purchased by the runner upon registration (in this case all procedures will be carried out by the Organizers).

The Organizer is not responsible for any debts incurred due to the accident, for example in the event that the runner declared having a license that is not valid or inexistent.

Article 10. MODIFICATIONS TO THE COURSE, CUT-OFF TIMES OR CANCELLATION OF THE EVENT

In case of bad weather or force majeure, the Organizer has the right to suspend, neutralize or change the cut-off times and/or the course of the event.

(10.1) MODIFICATION TO THE COURSE / CUT-OFF TIMES AND NEUTRALIZATION / SUSPENSION

During the week prior to the event, the Organizer may inform about potential changes affecting the course based on the weather forecasts. The final decision, however, will be announced on Friday October 1st.

The Organizer may delay the start or neutralize, modify or suspend the event if weather conditions on the day of the event are considered to put the runners in danger (such as electric storm, lack of visibility, abundant snow or ice, etc.).

If conditions do not improve after few hours, the Salomon Ultra Pirineu 100k® may be definitely suspended.

(10.2) CANCELLATION BEFORE THE DATE OF THE EVENT

If the event is cancelled due to force majeure more than 7 days before the start date, the registration fees will be partially refunded. The amount refunded will depend on the date of the suspension and the amount that the Organizer has already spent on non-refundable costs.

If the event is cancelled for reasons beyond the Organizer's control within 7 days before the start of the Salomon Ultra Pirineu 100k®, or if the event is suspended after having started, no registration fees will be reimbursed.

Article 11. PENALTIES AND COMPLAINTS

In order to implement the rules and regulations that govern this event, the following persons will be authorized to apply penalties: course stewards, physicians, checkpoint supervisors and aid station supervisors.

The penalties, set out in the table below, will be applied immediately and at the same place where the offence is detected. Time penalties will be applied in the presence of the authorized person.

Failing to comply the penalty implies committing an offence of “disobeying the orders of the course stewards, aid station supervisors, medical equipment”, penalized with disqualification.

(11.1) TABLE OF PENALTIES

TYPE OF OFFENCE (High to low seriousness)	PENALTY
Failure to give assistance to a person in need	Disqualification and ban from entering any future editions of the event
Dropping out without immediately notifying the Organizer	Disqualification and ban from entering any future editions of the event
Transferring the race bib or chip to another person to run in place of the registered runner during part or the totality of the event; and/or providing false information to the Organizers.	Disqualification and ban from entering any future edition of the event (to the race bib owner)
Unsporting behavior towards other athletes or the Organizers	Disqualification
Disobeying the orders of the course stewards, aid station supervisors, medical equipment, or not permit an antidoping control and/or record a positive result.	Disqualification
Not having the mandatory equipment or refusal to cooperate during an inspection of equipment	Disqualification

(11.2) COMPLAINTS

Complaints before the closing time of Salomon Ultra Pirineu 100k®:

Runners may file complaints while the **Salomon Ultra Pirineu 100k®** is taking place. Complaints should be submitted in writing by filling a form available at the arrival in Bagà. A 50€ deposit (in cash) must be paid to file a complaint. This deposit will be refunded if the complaint is accepted and resolved in favor of the runner.

Complaints may be filed until the closing time of **Salomon Ultra Pirineu 100k®**. Their resolution may affect the provisional ranking and awarded runners.

All complaints will be studied and resolved by the *jury of the competition*, composed by:

- **The race director**
- **The sports director**
- **Spartan Trail World Championship representative (in case the resolution may affect the Spartan Trail World Championship)**
- **The chrono manager (if needed)**
- **A runner randomly chosen and accepted by the parties**

No appeal may be filed against a resolution taken by the *jury of the competition*.

These complaints will be resolved as soon as possible, within a maximum period of 7 days.

If the resolution favors the runner, the 50€ deposit will be refunded and the penalty time will be deducted if appropriate, correcting the runner's position in the final ranking.

Complaints after the Salomon Ultra Pirineu 100k®:

No complaints will be accepted in situ after the closing time of the **Salomon Ultra Pirineu 100k®**. Any complaint after that time may be filed by email to info@ultrapirineu.com. Complaints will be accepted during a period of 15 days after the celebration of the **Salomon Ultra Pirineu 100k®**.

To file a complaint, the email should include the following information about the affected runner:

- Name and surname.
- ID number.
- Club membership (if it applies).
- Address.
- Race bib number
- Telephone number.
- Exposition of the facts.
- Request of the affected runner.
- Attached: any proof to support the complaint may be included here.

Resolution of the complaints will be issued within 7 days after receiving the email.
